Today's Program.....

Elaine Didier, Director of the Gerald R. Ford museum. Spoke about the President's Retreat, Camp David. It is about 60 miles north of Washington D.C. How did we get to have Camp David? Camp David is names after Eisenhower's grandson. It is a Naval facility and dates back to the Eisenhower era.

We viewed some really neat pictures of U.S. presidents and their friends during their visits to Camp David. Regan visited Camp David the most with over 169 days of his Presidency being from there.

Dr. Didier had the opportunity to visit Camp David as a guest of first lady Laura Bush, along with the other presidential library directors.

Next Weeks Program.....

Dr. Jerry Robbins, formerly of EMU and Ypsilanti Community Band

This is what we call HOME.....now in our 92nd year.
