Today's Program.....

Today's speaker, introduced by **Claire Dahl**, was Cheryl Elliott, CEO of the Ann Arbor Area Community Foundation (AAACF). Cheryl provided an overview of the structure, functions, and financial aspects of the community foundation. Founded in 1963 the AAACF is one of the largest of Michigan's 65 community foundations; currently managing about \$70 million in assets. The foundation spends up to 5% of its assets each year supporting a broad range of cultural, economic, and human services programs aimed at improving life throughout our community. AAACF provides a structured way for individuals to make donations, establish a legacy fund, or support favorite causes. The foundation can handle almost any type of donation whether in cash, securities, real and personal property, or bequests. More information about the AAACF is available at <http://www.aaacf.org/>.

Announcements.....

Next week's meeting will be on Tuesday, September 3rd due to Labor Day.

Board Nomination – The Nominating Committee has recommended and the Board has concurred in proposing **Martha Petroski** to fill a one year board vacancy which will occur on October 1st when **John Goff** moves to the President Elect position. A vote of the membership will be held in two weeks (September 9th).

Board Vacancy Filled – **John Schenk**, having been previously nominated, was elected by the membership to fill a vacant board position.

New Member Dues Proposal – A proposal to waive first-year dues for new members was brought forward for a vote of the club membership. The proposal had been previously recommended by the Membership Growth and Education Committee and approved by the Board. Following discussion and a vote of the members the proposal was tabled for one month to allow further membership discussion and consideration.

Interclubs – **Dave Drake** says there will be a super interclub at the Morning Edition Club in September; he will provide specifics later. We will have a super interclub at one of our meetings in October. The interclub requirement is changed for 2013-14. Instead of two interclubs a month, we will need to complete a round-robin visiting all clubs in our district at least once during the year. Again, Dave will have more exciting details later.

Service Surveys – Please return hard copies of your service survey indicating your committee and sale assignment preferences to **John Dahl** ASAP. You should have received the survey in your email last week.

Fines and Happy Dollars.....

Fines:

Dan Dever proposed fining everyone who had not undergone surgery in the past month – passed.

Happy Dollars:

Martha Petroski was happy for her Zodiac ride in Labrador thanks to a U of M fan—it's a long story. **Jane Talcott** was happy to see today's speaker and for **Harry Cross** and a successful 51st campership season. **Bryce Babcock** needed a sub to work the sale for him this Saturday. **Fred King** is reading The Art of Kissing which was mysteriously left by his name badge; he will be happy to report on it later. **Jim Kane** was happy for recent offerings at the Performance Network and the Kerrytown Concert Hall. **Don Kossick** was happy for Jonathon Pevarnek, the first International officeholder from UM Circle K. **Max Ziegler** was happy to throw \$50 in the pot in memory of **Don Kenney**. **Julanne Williams** was happy that her guest today will be signing up as a new member of our club!

Hospitality Information.....

Dave Hughes reported that **Bob Snider** has moved to room 2301 at Glacier Hills. **Don Kossick** will be handling Hospitality duties next month.

Stuff you should know.....

Beth Kenney sent a very nice note of thanks regarding the memorial service held at the club for Don. She also made a \$500 donation to the club foundation in Don's memory.

Joan Masters was presented with her full member badge. Congrats Joan!

Social Activities: (event, date, cost, contact information)

Golf Outing Tuesday, 9/17/2013 - **Max Ziegler** needs to know by this Friday if you intend to golf in the club's outing. Max says your chances of winning the hole-in-one just got better. Instead of actually needing to shoot a hole-in-one, each golfer in a LaFontaine tournament will have their name put in a barrel for an end of year drawing. The winner gets a car or the use of a car but either way it's a nice prize.

Remember - The next Kiwanis Night at the Purple Rose Theater in Chelsea is Friday, 9/20/2013. Play tickets are \$23 each with pre-show dining for up to 30 folks at the Common Grill. See **Martha Petroski** for tickets.

Dawn Farm meets the needs of hundreds of young addicts and alcoholics each year – and we have never turned a person away for lack of funds. From our Spera Recovery Center to residential programs, from our special program for pregnant addicts to our transitional housing and community outreaches- we help more than 3,000 people each year- because of your help.

The September 8th Jamboree is our only public fundraiser- this year we are celebrating 40 years of caring for our most troubled neighbors. Dawn Farm's successful programs are supported by corporate sponsorships, contributions and gift items in both a live and silent auction.
