Sheridan Springer introduced the speaker, Dave Steiner, who updated the club on the Yankee Air Museum and the upcoming airshow, "Thunder Over Michigan". The airshow has been one of the best, worldwide, and this year will be no exception. A supersonic F-100 Sabre Jet, Vietnam era helicopters, aerobatic performers, and much more are promised for the August 10-11 event. Kids under 15 are free!! Tickets are \$30 in advance. Parking is \$10 in advance. Premium options are available.

Dave also talked about their efforts to save part of the original B-24 bomber plant building to serve as part of the museum. 8685 B-24's were built there, sometimes at a rate of 1/hour. Sadly, there are none still flying. They have to raise \$6 million by August to finance the construction of 2 new walls on the part of the building to be preserved. They have many fundraising efforts including buying an inscribed brick, playing in a golf outing on Sept. 20th, and becoming a member at a level of your choice. Airshow tickets come with memberships. Visit their web site for all the information and/or to buy tickets to "Thunder Over Michigan".
