Today's Program.....

Installation of new officers: **Jerry Brown** initiated the program by reminding us that this was an opportunity to recognize and honor our fellow club members who are completing their service and those who are starting their service in club leadership positions. Jerry then introduced **Mark Wishka** for his final remarks as President. Mark said it had been a quick but very eventful year. He thanked everyone for their support, especially his fellow officers, members of the Board, and Committee Chairs. He also gave special thanks to **Janet Okuley** for stepping up to be the Club Secretary. Mark received a beautiful plaque for his service as President and a standing ovation from the membership. District Governor, **Dave Babbage** was next to address the club. He was thankful to visit the Ann Arbor Downtown Kiwanis club and happy to be back in Ann Arbor where two of his sons got their degrees from the UM. He thanked us for being a \$100K Club for the Eliminate Project and reminded us to be sure to thank each other for being such a distinguished club. He also thanked **Al Dailey** for all of his service to our club and the state-wide Kiwanis Organization. Lt. Governor, **Ian Andrews** then took the podium for the Officer Installation. First he introduced and thanked the retiring Directors and Officers: **Jim Blomquist, Alan Caldwell, Tom Dew, Elena Ermak, and John Kidle**. He then moved on to introduce the new Club Officers and Directors: Immediate Past President, **Mark Wishka**; Incoming Board Members: **Dan Burrows, Alan Caldwell, Andrea Kotch Duda, Bob Johnson, Gretchen Preston** and **Martha Petroski**; Secretary, **Janette Okuley**; Treasurer, **Cliff Sheldon**, and President Elect, **John Goff**. He then introduced our new President, **John Dahl**. John said this was a humbling moment and he thanked everyone for their support. John said he was proud to follow a long line of distinguished members who have served before him as Club President. He reviewed the many accomplishments the club has made during the last fiscal year including the funding of \$174,000 in scholarships, camperships and grants; in conjunction with the Cross Foundation, the awarding of \$30,000 in educational scholarships to local high school seniors; distributing \$35,000 worth of Kiwanis merchandise to low-income and needy families through our voucher program; and reaching the \$70,000 mark toward our pledge of \$100K for the Eliminate Project. John also presented his goals for the coming year: 1) vigorously pursue the new vision of leadership for our club that has been created by the SMOC committee, 2) continue the culture of individual commitment through his encouragement of club members to say "yes" when asked to accept volunteer and leadership opportunities within the club, 3) being willing to re-evaluate and participate in innovative discussions regarding the club's way of doing things, and 4) doing his best to be a strong and caring leader of club activities. John received a standing ovation for his willingness to serve and his plans for the upcoming year.
