Club Officer and Board Installations

Lt. Gov. Charles Phibbs

President Betsy Ford introduced Lt. Governor Charlie Phibbs to handle the installation of club officers for the 2016-17 year. Lt. Governor Phibbs first swore in the new members of the Board of Directors, who will serve a 2-year term: Kathy Barden-Perlberg, Ellen Webb, Deborah Jones, Greg Meisner, and Evan LeRoy. Lt. Governor Phibbs also announced the continuing members of the Board: Ray Argyle, George Gilligan, William Hampton, Joseph Medrano, and William Robb. Finally, Lt. Governor Phibbs thanked outgoing Immediate Past-President John Goff, and retiring Board Members Claire Dahl, Kenneth Shaw, Richard Smit, and Ellen Webb, for their loyal service to the club.

Lt. Governor Phibbs then recognized and thanked the continuing Club Secretary, **Kathie Wilder**, and continuing Club Treasurer, **Eloise Lavin**, for their strong service. He also had a pin for Eloise since her service started at mid-year.

Lt. Governor Phibbs then congratulated **Gretchen Preston** as the President Elect for the coming year. He thanked **Betsy Ford** for her service as President and gave her a pin for her upcoming year of service as Immediate Past President. And last but not least, he called forward **Alan Burg** and thanked him for his upcoming service as Club President. Lt. Governor Phibbs concluded his remarks by thanking our club for the excellent service we have given to the local community.

President Betsy Ford then gave some farewell remarks. She said she admires and tries to copy President Obama's deliberate style of engaging his brain before starting to speak. There were many challenges during her Presidential year, starting with a request to reorganize the leadership structure of the Club. She appointed a reorganization committee and the Chair, Mark Wishka, presented a report to the Board last summer. She was thankful for the great assistance she received from new Treasurer, Eloise Lavin. Eloise changed the financial reporting system, which was very helpful as we entered our financial crisis. Things became very complicated when we lost our primary renter at KCW, Sheridan Books, in December. Our reserve funds were low and we could not continue giving to the community at the level we desired. However, she thanked all of the club members for the many forms of in-kind giving that we continued

She expressed sincere thanks for the assistance she received from Immediate Past President, **John Goff**, and President Elect, **Alan Burg**. Both provided guidance and steady advice as we worked our way through the decision to sell KCD. She also expressed special thanks to Club Secretary **Kathie Wilder** for her hard work during all of the regular and several extra meetings during the year. Also, Kathie had to handle all of the forms and other details for the 21 new members who joined the club this year. Finally, she expressed thanks to all of the club members for their help and loyalty during her Presidential year.

Fines...

Dan Dever proposed a fine on all Kiwanis members who had not fined President **Betsy Ford** during her presidential year. It passed. **Nick Dever** proposed a fine on President **Betsy Ford** for essentially imposing a poll tax on all of the members who showed up to vote last week and were subsequently fined for voting. The motion passed, but the fine was paid by **Dan Dever** because President Betsy had already paid a fine. **Gerry Luke** proposed a fine on all members who were not twins. There was not a vote because everyone had already been fined, but late-arriving **Sue Dailey** agreed to pay the fine (without a vote).

Happy Dollars...

Jane Talcott was happy that her granddaughter, a sophomore at MSU, has joined the rowing team. Janet Okuley gave a dollar to promote the idea of doubling our individual contributions to the Mott Pot when it is passed around. Mark Wishka was happy to have his home included on the home show tour of the Old West Side of Ann Arbor. Dale Leslie was also happy that Mark and Narda's home was part of the home show tour because he really enjoyed both the exterior and interior of their home. Marianne Clauw was happy that the national Presidential race had finally reached the 1 v. 1 debate stage. Clarence Dukes was happy to recall Diamond Jack Austin's store in downtown Ann Arbor. Jack is thinking about visiting the club in the near future. Clarence gave a second dollar to address some of the club members who are not happy with the result of the vote to sell the downtown Kiwanis building. The club will go on and be strong, so please reconsider your position.

Dave Drake gave \$12 in celebration of his birthday on Sunday. He had lunch at Holiday's restaurant and was serenaded by several of the patrons, including some members of the UM football team. **Dick Smit** gave \$2 for the enjoyable time he had last Thursday having dinner with club members at Mott's Hospital. He gave a salute to **Jim Carey**, who has helped organize this dinner for 28 years. **John Dahl** was happy for the Wisconsin football team beating MSU last Saturday. He challenged **Jim Wight** for the upcoming UM vs. Wisconsin game this week. Depending on which team wins, John or Jim will donate happy dollars to match the margin of victory for their team. **Kathy Wilder** gave a happy half-dollar for a good time at the Ark and the fact that all of the patrons serenaded **Cliff Sheldon** with Happy Birthday wishes this last weekend.

Correction...

The Editor of last week's newsletter was **Dale Leslie**, not **Jim Wight** as was shown on Page 2 of that newsletter. Jim Wight is actually this week's Editor. We apologize for the error, and thank both Dale and Jim for the hard work they do on behalf of the club newsletter.

Occasionally, some hooligan will have the temerity to suggest that perhaps the Publisher should suffer some consequence for the errors, inaccuracies, and outright fabrications that—despite the gallant efforts of our weekly editors—appear in the club newsletter with distressing regularity. Persons of the ruder sort have intimated that a cavalier attitude toward basic fact gathering, editing, and proofreading at the very highest levels is the cause of these inconveniences. I say, who among us is so worthy as to cast the first blue pencil?

Nay gentle reader, until some benighted soul steps forth to take my place, I shall remain ensconced in my paneled office high among the lofty battlements of Newsletter Inc., unscathed and unperturbed—sailing on as in the words of H.L. Mencken, "like a steel ship loaded with monoliths of granite". ~Pub.
