## The Objects of Kiwanis International and Our Club Are:

**TO GIVE PRIMACY** to the human and spiritual rather than to the material values of life.

**TO ENCOURAGE** the daily living of the Golden Rule in all human relationships.

**TO PROMOTE** the adoption and the application of high social, business, and professional standards.

**TO DEVELOP**, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

**TO PROVIDE**, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

**TO COOPERATE** in creating and maintaining that sound public opinion and high idealism which makes possible the increase of righteousness, justice, patriotism, and good will.

## CLUB HISTORY OF COMMUNITY SERVICE

The Kiwanis Club of Ann Arbor was organized on May 13, 1921, and chartered on June 13, 1921, with 60 charter members. As of October 1, 2021, the club was the largest Kiwanis club in Michigan, with 138 members (including emerita and emeritus members). Since its founding, the club has inducted 1311 members.

In 1922 the club began working with the University of Michigan Hospital to provide recreation and education for young patients. In 1934 this activity was adopted as a Michigan District project and named for Forney W. Clement, a former District Secretary and member of our club. Subsequently, the project was extended to Mary Free Bed Hospital in Grand Rapids (1961), Northern Michigan Hospitals, Inc. in Petoskey (1977), and Children's Hospital of Michigan in Detroit (1980s). Our club members make an annual gift to the Michigan District to support the Clement project at these four hospitals, and also contribute monthly to what is now known as the Child and Family Life Program at the U of M C.S. Mott Children's Hospital.

In 2017, by vote of our Board and club members, our club became the sponsoring agency for Ann Arbor Warm The Children program, with an annual commitment of \$2500.

Proceeds from rummage sales and other fund-raising efforts have enabled the club to fund the activities of many charitable organizations. Most club donations range between \$500 and \$4000. The club has made a few major gifts of \$5000 to \$25,000 to several community organizations to help support their activities.

## CLUB MEMBERSHIP

Those who join our club are invited to join by current members. The weekly, Monday-noon meetings are an excellent forum for prospective members to meet club members. The club covers the cost of two meals for each prospective member.

Members who wish to sponsor prospective members ask them to fill out and sign a Membership Application form. Sponsors sign the form and return it to the Club Secretary. The Secretary arranges for information about the applicant to be published in two consecutive issues of the Club Newsletter and forwards the completed application to the facilitator of the Past Presidents, who arranges for the applicant to be interviewed by a Past President.

After an interviewer recommends acceptance of the application, the Club Secretary submits the application to the Club Board of Directors for approval. After the Board's approval, the Secretary notifies the applicant and requests payment of dues. Upon payment of dues, the Secretary places a new-member badge in the badge rack, and the President schedules a formal induction ceremony, with the applicant and sponsor present.

Annual club dues for 2021-2022 are \$180. Sponsors mentor new members to help them complete their orientation into the club and earn a regular-member badge. New members qualify for the regular-member badge once they:

- submit a digital photo of themselves or have their picture taken by the club photographer
- write a brief biography (100-200 words) to be published in Newsletter
- volunteer to help with the Thrift Sale
- join a club or foundation committee
- give a 3-minute speech about themselves at a club meeting
- participate in two additional club activities, such as:
  - greet guests and members at a noon meeting
  - attend a Board meeting
  - attend an interclub
- participate in at least one Kiwanis-sponsored community activity, such as:
  - Warm the Children program
  - Salvation Army bell ringing
  - Meals on Wheels delivery

### How To Maintain Perfect Attendance

A member who chooses to maintain perfect attendance can do so by attending all regularly scheduled club meetings or by making up missed meetings. One member-participation credit may be earned for personal attendance at the following meetings or activities during the calendar month or 7 days immediately preceding or following the month that a club meeting is missed:

- a regular, round-table, Board, or special meeting of any other Kiwanis-family club
- a regular (not a special) meeting of our club's Board of Directors
- a regular, scheduled meeting of one of our club's formal committees
- a service project of our club or of a Kiwanis-family organization sponsored by our club (maximum of 1 credit/day/project)
- an international, district, or division Board meeting, convention, conference, or scheduled meeting (maximum of 1 credit per event)
- a club function held to improve the health, welfare, morale, or esprit de corps of club members (maximum of 1 credit/month)
- absence from a regular club meeting as a result of travel to or from an international or district convention or conference (travel must be within 7 days before or after the event)
- a visit to the international office, a regional service center, or a district office (maximum of 1 credit/quarter)
- one credit is given for each regular meeting missed as a result of performing jury duty

## The Kiwanis Center

The evolution of the Kiwanis Center from its original downtown location on the southwest corner of First and Washington Streets to the new Kiwanis Center at 100 North Staebler Road is a tribute to the foresight and dedication to community service by the members and volunteers of the Kiwanis Club of Ann Arbor.

On April 11, 1966, the club voted unanimously to purchase the distinct beige, brick warehouse and flour mill at 200 S. First St., which once housed the Swisher Wholesale Grocery Store and then the Sears Roebuck & Co. Farm Store. The purchase was made possible through the generosity of John E. Swisher, Jr., whose father was a past president of the club (1925), and through contributions from club members and people in the local community. The club named the building the Kiwanis Activities Center (KAC). In 2015, following the purchase of an additional facility, Kiwanis Center West (KCW), the KAC was renamed the Kiwanis Center Downtown (KCD). The new KCW opened on June 13, 2015, for Saturday sales. Later that year sales were expanded to include Fridays and Saturdays from 9 am to 1 pm. In September 2016, the club membership voted to authorize the Board of Directors to consider proposals for the sale of KCD. In 2017, the club accepted an offer to sell KCD, with the closing taking place in January of 2018. All club activities were relocated to KCW by December 31, 2017, at which time KCW was renamed the Kiwanis Center.

**The Kiwanis Activity Center — 1966-2017**

The Kiwanis Center at 100 North Staebler Rd. is a 123,000 sq-ft office and warehouse building on a 17.4-acre lot. Approximately 71,000 square feet of the building is dedicated to Kiwanis purposes, including the Kiwanis Thrift Sale; Kiwanis offices and meeting rooms; intake, sorting, and warehousing of donated sale items; plus maintenance and utilities. The remaining 52,000 square feet is warehouse and office space rented to other users. Seven and one-half acres of undeveloped wetlands and woods on the property have been designated as the Ann Arbor Kiwanis Environmental Education Preserve (A2KEEP). That project is under development and will include ponds, woodland, and marsh areas interwoven by paths and planned display projects. Another 2.5-acre portion of the property fronting on Jackson Road is being offered for sale as a commercial out lot.

Having our Kiwanis Thrift Sale operating again out of one location has allowed for a better shopping experience for our customers and for much improved efficiency in the receiving, sorting, and presenting of merchandise by our club members, volunteers, and staff.

## Effects of the Covid-19 Pandemic on the Kiwanis Thrift Sale

The decision to close the Thrift Sale because of the COVID-19 pandemic was made by the Kiwanis Sales Management Oversight Committee (SMOC) to be effective on Friday, March 13, 2020. The weekly in-person club meetings held in the Kiwanis Center (KC) were suspended starting the third week of March 2020. Weekly club meetings tried a new way of meeting by Zoom on April 13, 2020 and have continued to the present time. New recommendations and guidelines were issued by federal (CDC, FDA, NIOSH, EPA, etc.), state and local governments for retail businesses wanting to operate during the pandemic. Efforts were underway by the federal government and industry to produce a safe and effective vaccine, but the final product was uncertain and months away.

During the early weeks of the shutdown, plans were made for changes to the Kiwanis Center to meet the new requirements. Kiwanis appointed COVID-19 officers to oversee our compliance to evolving governmental regulations including the health monitoring of Kiwanis staff and volunteers. Each person, upon entering the building, would be asked to complete a Washtenaw County Environmental Health assessment form and take and record his/her temperature. New federal guidelines now required separate entry and exit doors for customers and signage to maintain adequate social distancing between customers while shopping. Wearing of masks was required to prevent community spread of the COVID-19 virus. In addition, physical changes were made at KC to ensure the safety of our volunteer workers and staff. The sorting areas at KC were rearranged and plexiglass barriers installed between workstations to minimize chances of exposing adjacent workers. Each sorting area was reviewed to determine the number of volunteers who could work in the area and maintain proper social distancing. In almost every sorting area, this reduced the number of people who could work at any one time. Plexiglass barriers were also constructed across the main checkout stations and the Jewelry and the Antique and Collectable sales areas to minimize risk of exposure between customers and Kiwanis workers behind the barriers.

*Installation complete*

Washtenaw County's 7-day average of COVID-19 cases peaked at 49 in early April 2020 and tapered off to lower levels between 10 and 20 cases for the rest of the summer. From April through August, there were no volunteers working at Kiwanis. In early September, volunteers began returning to work on a limited basis in newly configured sorting and departmental areas designed to maintain proper social distancing. Kiwanis observed what other retail

stores had done to prepare for the pandemic up to early August and prepared to re-open our doors on Sept 19, 2020, for one sale day per week. The Saturday Thrift Sales continued until November 7 when we felt the risks became too high for our volunteers, most of whom are 60 years of age or older. During the months of November 2020 through March 2021, a small group of about 25 volunteers did come in for sorting and pricing. During this time some donations came in and merchandise was gathered to provide a "Gift of Goods" to other non-profits to help reduce our merchandise inventory. The Thrift Sale remained closed until April 2021.

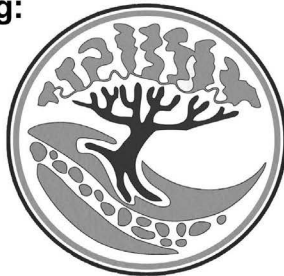

In mid-March 2021, Washtenaw County's 7-day average of COVID-19 cases was 40 as we started to prepare for re-opening on April 3. By this time, some of our volunteers had received one of the three approved vaccines and others were waiting to get their first shot. Once again, we opened only on Saturday for seven weeks and expanded to Friday and Saturday sales on May 22, 2021, and have continued a two-day sale through the summer and early fall. In mid-summer, the Delta Variant spread rapidly across the US and other countries. New surges in infections were detected among the vaccinated, as well as unvaccinated people, but health effects of COVID-19 were generally less serious among vaccinated people.

We know the pandemic is not yet over as there are close to 30% of the US population and much larger percentages in other parts of the world who have not yet been vaccinated and new variants are being formed in COVID-19 infected populations. Vaccines for teens ages 11 to 18 were recently approved, and vaccines for younger children will soon be approved. Vaccines for COVID-19 are the best defense against the virus and 100% of all Kiwanis staff and working volunteers have been vaccinated as of September 2021.

## 2021–2022 Kiwanis Club Scholarship Program Washtenaw Community College Scholarships

This year, the Kiwanis Club of Ann Arbor Foundation will again provide \$80,000 in scholarships and financial assistance to more than 25 students who have either graduated from high schools in the Washtenaw Community College residential district or currently reside within that district. Funding for this program comes from the Kiwanis Foundation and from the donations of individual club members and Kiwanis volunteers. The Washtenaw Community College Foundation administers the funds Kiwanis donates.

Individual scholarships are awarded for amounts up to \$3,500 each year. The scholarships will cover a student's expenses for tuition, books, and fees for that entire year. The Kiwanis program also includes a \$2,000 donation to the WCC Student Emergency Fund. This fund helps support students who experience unexpected hardship situations that threaten their ability to continue their education.

Kiwanis calls its scholarship program "The Finish Line," because, once a student is selected to participate, their scholarship continues until they achieve their Associates Degree or until they transfer to a four-year college or university. Eight scholarships each year are reserved for first year students at WCC. The others are awarded to continuing students, or to others who have successfully completed at least one semester at WCC, but would likely be unable to continue their studies without additional financial support.

Fifteen of our 2020-21 Kiwanis Scholars (pictured below) participated in online Kiwanis Club meetings where they were honored by the club. Scholars not pictured included Brian Acosta, Shreya Bahl, Ayanna Bell, Inayah Amir Bey, Edward Carr, Ivey Ewang, Gabrielle Herron, Tahira Khan, and Devon Nelson.

## ZELLER FELLOWS

In 2011 Kiwanis International (KI) established the Walter Zeller Fellowship to commemorate Walter Zeller, who made the first gift of 25 silver dollars to establish the KI Foundation. The Zeller Fellowship recognizes a gift of at least \$1,250 to the ELIMINATE Project, an undertaking to raise \$110 million by 30 September 2015 to eliminate maternal neonatal tetanus in mothers and newborns in countries where this disease remains a threat.

On 22 August 2011, our Club membership pledged to donate \$100,000 to the KI worldwide ELIMINATE Project by 30 September 2015, a goal we met and exceeded by raising \$103,185. The names of Zeller Fellows are permanently displayed in the club meeting room of the Kiwanis Center. Fellows to date are as follows (“c” denotes Charter Fellow; “d” denotes Diamond Fellow):

## CLUB AND FOUNDATION FUNDRAISING AND GIVING

The Kiwanis Club of Ann Arbor began raising money in 1925 by selling newspapers. In 1927 it teamed with King's Daughters, a local church guild, to hold periodic three-day rummage sales in vacant stores and, from 1948 to 1967, in the National Guard Armory. From February 1968 through 1990, sales were held in the Kiwanis Center Downtown (KCD) periodically, thence weekly on Saturday mornings. In January of 2012, through the generosity of Don Butcher, a former club member, and Jake Haas, the club acquired temporary use of an 8000-sq-ft warehouse at 840 Airport Plaza Dr. in which to store and sell furniture and other large items. Then, in 2014, the club's Foundation purchased a 17.4-acre lot, including a warehouse and office complex, located at 100 North Staebler Road, which became the Kiwanis Center West (KCW). Regular Saturday sales began at KCW on June 13, 2015. Sale of the KCD building was completed in January 2018. Since then, all our Kiwanis activities, including the Thrift Sale, have been held at the Kiwanis Center (KC, previously KCW) at 100 North Staebler Road. Currently, the Kiwanis Thrift Sale is open 50 weeks of the year at KC from 9 AM to 1 PM on Fridays and Saturdays.

Kiwanis Thrift Sale merchandise comes from individuals or organizations who drop off items at KC, and through the pickup service that the club's charitable foundation provides. Club members, volunteers, and employees then sort, price, display, and sell donated items. This work often requires conscientious sorting, creative merchandising, and tact. A sorter once found \$660 in an article of clothing; occasionally bills are found hidden in books. Items sold include automobiles, store mannequins, live piglets, tombstones, boats, and organs (musical). Once, four people bought the same sofa on the same day and showed up simultaneously to claim it. Someone mistakenly donated a neighbor's dishes. Members and volunteers have had their own coats and jackets inadvertently sold during a sale. The most successful single sale, a three-day event in 1985, grossed \$80,234. Between fiscal years 2006-07 and 2020-2021, annual gross sales have increased from \$241,000 to over \$1,037,200. Unfortunately, in 2020-21, the COVID safety restrictions reduced our gross sales to \$571,000, as the Kiwanis Thrift Sale was closed for 6 months.

Over the years the club's foundation has found additional ways to raise funds. It sells donated vehicles through a licensed dealer. It began selling selected items on eBay in 2002, and on craigslist in 2011.

Since 1927, the club and its charitable foundation (formed in 1964) have netted many millions of dollars from our Thrift Sales. The foundation devotes these net proceeds to supporting many projects of charitable organizations that serve the local community and Washtenaw County. The success of the Thrift Sale depends on the hard work of many club members and dozens of volunteers.

In addition to donating money to charitable organizations, the foundation gives merchandise to individuals and families in need through two Direct Assistance Programs. One program is operated by the Sales Management Oversight Committee, which, in 2020-21, provided \$274,900 in direct giving. The club's Community Services Committee administers a second direct assistance program, the Voucher Program, in cooperation with participating local social agencies. In fiscal year 2020-21, the Voucher Committee distributed \$49,600 worth of merchandise to more than 134 qualified clients of social agencies that serve the greater Ann Arbor community. The foundation has also donated clothing to people in need worldwide, especially to orphanages and countries that have suffered natural disasters. Annually, the Kiwanis Thrift Sale's book department donates thousands of surplus children's books to teachers and libraries of K-12 schools in the Ann Arbor area and Detroit.

Each year, the club's foundation—together with contributions from club members and others, which are matched by monies from the Ray and Eleanor Cross Foundation (RECF)—also awards academic scholarships and camperships to deserving area youth. In 2020-21, these awards totaled \$79,000 for full-ride academic scholarships to Washtenaw Community College students. Since 2010, the Foundation, club members, and the RECF together have also donated over \$106,000 in scholarship funds to the Faculty of Nursing Science of the Episcopal University of Haiti.

In July of 2017, the foundation assumed sponsorship of the Warm the Children program of Washtenaw County. In 2020-21, our club raised and disbursed \$109,800 for winter clothing for 1,200 children.

Through all these programs combined, the club and foundation have donated over \$8.5 million in money and merchandise to charities and individuals since the club's inception in 1921.

## HIXSON FELLOWS

Kiwanis International (KI) established the George F. Hixson Fellowship in 1983 to honor its first president. Fellows are selected in one of two ways. First, members of a club, upon making a lump-sum payment of at least \$1000 to the KI Foundation, may designate recipients during their lifetimes or posthumously. Second, a club itself may designate a recipient (e.g., a club member or her/his spouse) by making a lump-sum payment of at least \$1000 to the KI Foundation.

To be considered for a Hixson Fellowship sponsored by our club, a member must demonstrate exceptional dedication to the club and its Objects during the course of a single year. This may be achieved in various ways, such as excellence as chair of a committee, outstanding success in recruiting, extraordinary involvement by a new member, or other comparable contributions to the club. In exceptional circumstances, the club may award a Fellowship to a nonmember, provided that the designee has made a contribution to the community commensurate with the club's standards for Honorary Member status or has made a singular contribution of time and effort to the club.

During three administrative years (1996-1999), our club donated a total of \$104,000 to KI for the Worldwide Iodine Deficiency Disorder program. In 2015, we donated an additional \$103,000 to KI for the KIWANIS/UNICEF ELIMINATE project to eliminate maternal and neonatal tetanus. Consequently, KI has extended to our club the privilege of awarding several dozen Hixson Fellowships. Upon the recommendation of the Member Recognition Committee and approval by the Board, the names of Fellows are permanently displayed in the Kiwanis Center. Fellows to date are as follows ("d" denotes a diamond Fellow):
