CLUB OF ANN ARBOR FOUNDATION, INC.

#### Message from Immediate Past President Steve.

I am honored to have been able to serve as President of the Kiwanis Club of Ann Arbor and the Kiwanis Club of Ann Arbor Foundation, Inc. for the 2023 Kiwanis fiscal year. It was a year of great change and important firsts for A2Kiwanis, and I am optimistic as we stride into our future in the Ann Arbor-Washtenaw County community.

In January, the Club returned to in-person meetings (with a Zoom hybrid option) after a long COVID induced period of remote-only gathering.

The new Club and Foundation strategic plans provided a road map for other significant changes. New Foundation By-Laws were adopted by the membership which separated the Club and Foundation boards to protect the Foundation's status as a tax-exempt charity, while also creating additional leadership opportunities for members.

May was a month of firsts, with the membership electing separate Club and Foundation Boards. May also saw the Foundation welcome Mary Buck as its first ever Executive Director.

In June, A2Kiwanis celebrated (belatedly) the Club's centennial with a week of very successful special events.

Another first came in September when our Kiwanis Foundation Thrift Sale Revenues topped \$1,700,000 for the year. Earlier our grant and scholarship programs exceeded \$500,000 in giving within one fiscal year for the second year in a row.

Space does not allow a complete list of all the important achievements and contributions that A2Kiwanis made in fiscal year 2023, but we hope that you will join our work to better the lives of Washtenaw County's children and families!

**Steven J. Hiller, President, Fiscal Year 2023**

A Summary of the Kiwanis Club of Ann Arbor's and its Foundation's Community Impact through Grants, Gifts, Services, and Capital Improvement Projects in FY23. \* Oct 1, 2022, through Sept 30, 2023

### MEMBERSHIP Successes and Challenges

- **MEMBERSHIP GROWTH and ENHANCING current MEMBERS' EXPERIENCES** with Kiwanis continues to need an increased focus and effort by all of us.
- **Our Club's Strategic Objective is to achieve a 5% membership net growth per year for each of the next four years.**
- As of September 30, 2023, which was the last day of FY23, there were 143 Club members in good standing, an increase of 11 members from FY22. However, a review of the previous three years shows a downward trend. In FY20 there were 150 members, FY21 there were 133 members (minus 17), FY22 there were 132 members (minus 1). The difference between FY20 and FY23, which is 4 years, is a loss of 7 in total membership numbers.
- At the start of the new FY24 on **October 1, 2023**, our Club's total membership number **dropped from 143 to only 118 Club members in good standing.** By **December 12, 2023**, some former members had returned, and a few new members had joined so that **the Club membership totaled 130 members** in good standing.
  - **The current membership number of 130 still represents a net loss of 13 members** between September 30, 2023, and December 12, 2023.
- **Therefore, to achieve our Club's Strategic Objective of 5% net growth per year, which for FY24 is a total of 150 members, we will need to add a net increase of at least 20 new members between December 12, 2023, and September 30, 2024.**

### VOLUNTEERS Successes and Challenges

- At the end of FY23 there were **147 non-member volunteers.**
- Both members' and non-members' volunteer hours helped make possible our weekly Kiwanis Foundation Thrift Sale, Kiwanis Foundation Voucher Program, Meals on Wheels (MOW) deliveries across the Ann Arbor area, and other important services.
- **Kiwanis Foundation Thrift Sale and Voucher Program** number of volunteers **224.**
  - **77 (34%)** were Kiwanis Club members, and **147 (66%)** were non-members.
  - The Thrift Sale and Voucher Program volunteer hours in FY23 were **44,017 hours.**
- **Meals on Wheels (MOW)** for meal deliveries number of volunteers was **23.**
  - **16 (70%)** were Kiwanis Club members and **7 (30%)** were non-members.
  - MOW volunteer hours during FY23 totaled **519 hours.**

### Over 44,536 VOLUNTEER HOURS were provided in FY23.

- This total includes both member and non-member volunteer hours.
